Funding Categories

Please select the appropriate funding category for your project: Regional

Please describe how your project will benefit three or more hubs in an equitable manner?

The UASI Cyber Resilience Workgroup consists of representatives from all 12 counties in the UASI footprint. These members identified training as the most actionable option for improving regional cyber resilience. The tiered training program proposed in this application will be delivered proportionally based on agency size and thus equally available to entities in the North, South, East, and West Bay hubs.

This field is limited to 500 characters.
