RE: Agenda Item #3: Approval of Courses Vetted by the UASI Regional Training and Exercise Workgroup

Recommendation:

It is recommended that the Advisory Group (serving in its capacity as the UASI Regional Training and Exercise Steering Committee) approve training courses vetted on, June 21, 2012, by the UASI Regional Training and Exercise Workgroup.

Action and Discussion Item:

Discussion and approval of training courses vetted by the UASI Regional Training and Exercise Program.

Background:

In May 2012, the UASI Regional Training and Exercise Team requested proposals for new training courses in the region. On, June 14, 2012, the opportunity to submit proposals closed, with a total of 38 new requests submitted. The training proposals were vetted by the UASI Regional Training and Exercise Workgroup on, June 21, 2012. A final review of the vetted courses will be conducted by the UASI Regional Training and Exercise Program Team and a final list of approved courses will be presented to the Advisory Group prior to their next meeting.

Discussion/Description:

Summaries of all course proposals submitted during the May/June proposal period have been attached for review and approval. Several courses may be eliminated from this list upon completion of the full review process.
